**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Local broadband carriers in my area make internet possible even when we cant get cell service at our property in the Sierras. We have service in the city through a small local companys that wont be able to compete. Both places would lose service and this is not the way capitalism is supposed to work. We need competition!
